

*a community interest company
working with you to build a better future*

Community InfoSource connecting people, improving lives

September 2015

**Recruitment Information for a
Fundraising Volunteer
with a Grow Your Own Job Opportunity
For Community InfoSource**

Community InfoSource is a successful social enterprise, registered in 2006 and based in the west of Scotland.

We develop projects in the west of Scotland and internationally in relation to wealth creation, health, asylum and refugee issues and

Living Well International has a project we are developing in Congo in Africa.

The fundraising volunteer position will enhance Community InfoSource by helping us access funding to deliver these projects and similar others.

Grow Your Own Job offers you the chance to develop an employment opportunity of your own with CIS, by accessing income to cover costs.

Training will be given.

Please see:

Role description and person specification
Application and equal opportunities form

If you would like to chat over possibilities, call Sheila: 0141 946 6111

If you would like to apply, please return your completed application form as soon as possible.
